These trees were grafted with carefully selected scions. They have been unusually well cultivated and tended. They are carefully dug, and packed by experts. No charge is made for packing. These trees will please you. No order filled for less than 50 trees. We have thousands of them—order as many as you need. Satisfaction guaranteed or money refunded. We ship the same day order is received. Each tree is labeled specifying size and variety. We own a Grafted Pecan Orchard of 1200 bearing trees, bought from Bass. From the best of these trees we select our grafts.

### GENUINE OWARI SATSUMA ORANGE TREES

18 to 24 inch size on 4 year trifoliata root stocks	17½ cents
24 to 36 inch size on 4 year trifoliata root stocks	30 cents

No order filled for less than 100 Satsuma trees. No charge for packing. All root systems are puddled in red clay before being packed. This excludes all air from their root systems, which is so necessary. Satisfaction guaranteed or money refunded. We ship the day your order is received.

Our nursery is located at Magnolia, Miss. on the Illinois Central Railroad, served by 15 passenger trains daily. There is a network of gravel roads throughout this section. Highway 51 runs through Magnolia. Transportation facilities are good.

Terms: Cash with order, or shipped C. O.D. Satisfaction guaranteed, after you inspect shipment, or money refunded.

All our trees are certified by the Mississippi State Plant Board, to be free from injurious insects and disease.
